

New Traffic Pattern Details – November 2011

- Beginning at 9 PM on Friday November 18th until approximately 7 AM Saturday November 19th:
 - Fairfax County Parkway (7100) will be necked down to one lane in each direction from I-66 to Rte 50
 - No access will be allowed from Fairfax County Parkway to Fair Lakes Parkway and Monument Dr.
 - Fair Lakes Parkway traffic eastbound and westbound prior to 7100 will be forced to use the Fair Lakes Circle Detour. No traffic will be allowed to access 7100 from Fair Lakes Parkway. Detours will be signed.
 - Monument Drive will be closed at 7100. West Ox Road Detour will be signed.
- Crews will be striping the new lanes and intersections of Fairfax County Parkway to tie into new Ramps (4 total).
- All Fairfax County Parkway Traffic will be switched from existing 7100 onto the new Ramp alignment between Rte 50 and I-66.
- New traffic signals will be in place at the Ramp intersections.
- Fair Lakes Parkway thru movement across 7100 will be restored the morning of November 19th.
- Left turn traffic from Fair Lakes Parkway onto Fairfax County Parkway will be prohibited.
 - Motorists wanting to make a left turn from Fair Lakes Parkway eastbound and westbound to the Fairfax County Parkway will be directed, via detour signage, onto the Fair Lakes Circle Detour.
- The Speed Limit on 7100 from I-66 to Rte 50 will be reduced to 40 mph beginning November 19th.
- It is anticipated that all lanes will be opened in the new alignment by 7 AM Saturday morning November 19th
- Rain date: November 19th, 20th
